

Technical Data Sheet

Plagron Organic Universal

Nutrient Analysis (% w/w):

Total nitrogen (N _{tot})	7,0%
Organic bound nitrogen (N _{org})	7.0%
Phosphorus Pentoxide (P ₂ O ₅)	7.0%
Potassium Oxide (K ₂ O)	10.0%

Secondary Elements (% w/w):

Calcium (Ca)	5.0%
--------------	------

Physical and Chemical Properties:

Organic substance, OS	47%
Form	Granules
Colour	Light Brown

Storage Condition & Use:

- Store in a dry area
- Keep packaging tightly closed after use
- Add between 1430 kg and 2860 kg Organic Universal per ha. Apply 1-7 days before sowing and work it into the topsoil (5 cm depth).

Date: May 26, 2026
